

TORRES DE SACRAMENTO

ApartaOficinas

- Project of a tower with 45 apartments, 21 office apartments and 6 commercial premises.
- Its location allows it to be a project with easy access and excellent public transport coverage, just 5 minutes from the Sabaneta Metro Station and one block from the main Park of the Municipality, which places it in a strategic area of high value.
- The areas of the available apartments range from 366 to 1119ft², which are delivered with full finishes, however, there is the possibility of delivering them in gray work.
- The apartments are for immediate delivery.
- Common zones: Gym, solarium, social room, steam room, private and visitor parking spaces.
- The down payment is \$5,000,000 pesos and the payment form of the initial fee will be studied by the company.
